INTRODUCTION

WHO ARE WE?

Corasset Investments Ltd is a real estate investment company in Kenya, we invest in land and housing. Since our inception in 2017 we have built our reputation on financial strength, the ability to respond quickly to opportunities in the market place and a history of positive performance on behalf of our investors and clients.

Our company is not confined by traditional real estate boundaries when it comes to buying, selling, leasing or asset management, instead we are always coming up with new innovative ways to satisfy our client's need and be the leading company in the real estate market.

Our team is hands-on when it comes to visiting the sites for approval to make sure that we invest in the most profitable areas in the market. We also work continually to interpret and act upon economic forces in the market place. And with every transaction, we stress on creative solutions in line with our core values in the application of sound real estate principles.
